Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: It appears that claim 26 is deleting "a" from the claim language in line 12, but the strikethrough is hard to distinguish. In cases where the strikethrough is hard to distinguish, or five or less characters are being deleted, double brackets should be used, see 37 CFR 1.121 (c) (2). In this case, the strikethrough is not clear, and it is hard to determine whether it is intended as a strikethrough or an error in the scan or copy. As such, please make the appropriate corrections to show the language changes to clarify the intended language of the claim.
